

## PIERANGELO GAREGNANI THESIS PRIZE 2018

Report of the Committee for the assignment of the Prize, composed of: Professor Enrico Bellino (Catholic University of Milan), Professor Roberto Ciccone (Roma Tre University), and Professor Fabio Ravagnani (La Sapienza University).

The Committee acknowledges that applications for the Pierangelo Garegnani Thesis Prize 2018 have been presented by the following candidates (in brackets the title of the doctoral thesis and the Department or Institution where the research of the candidate has been conducted or is ongoing):

- Dr Damiano Buonaguidi (*Choice of Exogenous Variables, Stock Market Dynamics, Financial Sector: Three Essays on Macroeconomic Theory*, Department of Economics and Statistics, University of Siena);
- Dr Gustavo Ribeiro de Freitas Bhering (*Say's Principle, International Distribution of Gold and Reciprocal Effectual Demands in Ricardo*, Institute of Economics, Federal University of Rio de Janeiro);
- Dr Gustavo Daou Lucas (*Three Essays on Inflation*, Institute of Economics, Department of Economics and Statistics, University of Siena);
- Dr Sneha Shriram Joshi (*The Theory of Personal Income Distribution*, Gokhale Institute of Politics and Economics, Pune, India);
- Dr Luis Daniel Torres Gonzalez (*Essays on Prices of Production and the Interindustry Structure of Technology and Demand*, Department of Economics, New School for Social Research, New York).

The Committee, after evaluation of the five applications received, awarded *ex aequo* the Prize to:

*Dr Gustavo Ribeiro de Freitas Bhering* (Federal University of Rio de Janeiro), for the doctoral thesis “**Say's Principle, International Distribution of Gold and Reciprocal Effectual Demands in Ricardo**”;

*Dr Gustavo Daou Lucas* (University of Siena), for the doctoral thesis “**Three Essays on Inflation**”;

*Dr Luis Daniel Torres Gonzalez* (New School for Social Research), for the doctoral thesis “**Essays on Prices of Production and the Interindustry Structure of Technology and Demand**”.

The Committee is pleased to point out that the selection of the winners was made complex by the high quality of all the works submitted, as the final decision itself shows.

Centro Sraffa would like to thank all the young scholars who have presented their work and whose participation contributes to expressing the vitality of the orientation which inspires the Prize. Centro Sraffa announces the planning for 23 November 2018 of the event in which the award ceremony will take place, together with the presentation of one or more contributions of a scientific and cultural nature.

Rome, 24 October 2018
